Dear Colleagues,

We are delighted to announce the upcoming “EXPONENT International India”, scheduled to be held from December 26th to 28th, 2025, at Pragati Maidan, New Delhi. The event will take place in Halls 2, 3, 4, and 5 (Ground Floor) – renowned for their excellent facilities and accessibility.

EXPONENT International India serves as an invaluable platform for dental professionals, manufacturers, importers, suppliers, and industry stakeholders to connect, exchange knowledge, explore the latest advancements, and foster meaningful collaborations.

The exhibition presents a unique opportunity for dental practitioners to discover innovative products, cutting-edge technologies, and emerging trends in the dental industry. Engaging with exhibitors allows attendees to gain firsthand insights into a wide array of dental materials, equipment, and solutions that can elevate their clinical practice and improve patient outcomes.

Dentists across the country are eager to engage in productive discussions with exhibitors to fulfill their requirements for both consumables and capital equipment.
