ABOUT THE SPEAKERS

Dr. Harleen Gandhi Kalsi

Dr. Harleen Gandhi Kalsi is an accomplished aesthetic dentist with over 15 years of clinical experience. She holds a postgraduate diploma in Aesthetic Advantage from the prestigious New York University and is a Fellow of the Academy of Oral Implantology. She is widely recognized for her expertise in smile design, full-mouth rehabilitation, and digital dentistry.

She is the founder of Meraki Dental Studio in South Delhi, a state-of-the-art clinic that reflects her passion for excellence in dentistry. Within its very first year, Meraki Dental Studio received the “New Practice of the Year” award. Dr. Harleen's dedication to aesthetic dentistry was further acknowledged when she received the “Aesthetic Practice of the Year” award by Famdent in 2017, followed by the prestigious “Indian Dental Diva” title in 2018.

As an Invisalign Educator, Dr. Harleen is passionate about integrating clear aligner therapy into aesthetic dentistry, transforming smiles through minimally invasive techniques. A strong advocate of digital workflows in modern dentistry, she continues to inspire her peers and elevate patient outcomes through her expertise.

Dr. Ambica Khetarpal

Dr. Ambica Khetarpal is a distinguished endodontist and academician with over a decade of clinical and teaching experience. She currently serves as Associate Professor at PDM Dental College & Research Institute, Bahadurgarh, where she actively contributes to research and postgraduate training in conservative dentistry and endodontics. In West Delhi, she leads the Khetarpal Multispeciality Dental Clinic, a modern practice known for precision-driven root canal therapy and aesthetic restorations. Her clinical expertise is complemented by a strong research portfolio, including studies on the bond strength of pulp capping materials and the physicochemical properties of irrigants in root canal therapy. Dr. Khetarpal is also a published author in DentalReach and a vocal advocate for oral cancer awareness, as seen in her engagements with WICCI Delhi Film Council. She maintains an active presence on social media and YouTube, where she shares insights into modern endodontic practice and patient education. Her lecture on “Revolutionising Endodontics with Recent Materials” promises to blend clinical wisdom with cutting-edge advancements in biomaterials, irrigation dynamics, and minimally invasive techniques.

Dr. Harsh Jain

Dr. Harsh Jain is an alumnus of AB Shetty, Mangalore. He is currently working as Professor of Oral & Maxillofacial Surgery, in Delhi NCR. Dr. Jain as an experienced of decade and half in dentistry, particularly Oral & Maxillofacial Surgery.

He is well recognized as a Dental & Maxillofacial Surgeon of repute not only in the Maxillofacial fraternity but also among professional circles in the allied head & neck specialties. He has been trained in India and abroad to perform a multi-tude of basic and advanced Dental Implantology procedures. He is the Director at Aarogya Dental & Maxillofacial Center, Vaishali.

Dr. H.S. Grover

Dr. Harpreet Singh Grover graduated from the prestigious King George's Medical College, Lucknow, in October 1985. Awarded gold medal for outstanding academic achievements, he did his post-graduation in Periodontics from King George's Medical College, Lucknow in 1988. Presenter of more than 130 scientific papers, he has chaired a significant number of scientific sessions at various national and international conferences. Having worked as Principal in Desh Bhagat Dental College and Hospital, Punjab, his immediate past position was of the Dean, Professor, Head and PhD guide (Periodontology) at SGT University, Gurugram.

He was the Editor, Delhi State IDA journal and Chairman CDE, IDA Delhi State Branch and also the Past President of the West Delhi Branch (IDA). Having served four terms as an Executive Member, two terms as the Vice President, Secretary of the Indian Society of Periodontology from 2019-2023 he has now been elected as Hon. President of the Indian Society of Periodontology. With more than 170 publications and contribution in 7 books, he also has been a secretary of the Bioethics unit of the UNESCO chair in Bioethics Haifa, the founder convener of the ISP Study Group Delhi-NCR and continues to remain on the panels of many national and international professional bodies.

He has also worked at premier institutions like King George's Medical College, Lucknow, PGIMER Dr. Ram Manohar Lohia (Willingdon) Hospital New Delhi, Max Hospital New Delhi (NCR). He is currently serving as Professor and Head, Department of Dentistry at N. C. Medical College & Hospital, Panipat, Haryana and Adjunct

Dr Kapil K Raina

Dr. Kapil K Raina is a visionary dental practitioner, educator, and healthcare leader with over three decades of experience spanning clinical excellence, academic mentorship, and public health advocacy. As the Founder Director of Dr Raina's Dental Care & Implants and Director of ScanXperts, he has built benchmark institutions in ethical, patient-centric dentistry. Renowned for his pioneering work in antimicrobial stewardship (AMS), dental policy in paramilitary forces, and global academic collaborations—including his role as India Coordinator for the University of Florida's International Service-Learning Program—Dr. Raina brings a rare blend of clinical acumen and strategic insight. In his session on "Dental Practice Startup Tips", he distills years of experience into actionable guidance for young clinicians and entrepreneurs—covering clinic setup, ethical branding, financial planning, and sustainable growth. His mentorship has empowered countless dental startups to thrive with purpose and professionalism.
